### Experience

**Wiley edge** Production management Intern Oct'22 - Present

Production management in **global investment, retail and commercial banks.**

Financial Markets (Basic), SDLC, Cloud Computing, ITIL, SQL and Database concepts (Advanced), Python programming (Advanced), Linux Commands (Advanced)

**Genesis media** Full - Stack Development Intern Apr'21 - Feb'22

Managed **Development, Deployment and Maintenance of 5+ full-stack web sites** and applications

Worked on **100+ npm packages**, customizing each one while documenting every change made.

Created **Pixel-perfect, Seamless Web pages** either based on available design or **UX guidelines**. Every page was designed to be **Mobile-First** and **responsive**.

**Static and Dynamic websites** were approached differently and were optimized based on requirements and hosting flexibilities.

Enhanced performance of each website by running it through **Auditing tools** and removing redundant/laggy code. Every website scored **100 on SEO tests**.

**Freelancing** Full - stack Developer July'22 - Sept'22

**Custom portfolio site created for product designer**

Created **pixel-perfect recreation of Figma Design** which included a ton of **scalable and Interactive components**.
